

THE STATE OF NEW HAMPSHIRE

MERRIMACK, SS.

SUPERIOR COURT

Docket No. 08-E-0053

**In the Matter of the Liquidation of
Noble Trust Company**

LIQUIDATOR'S INVENTORY PURSUANT TO NH RSA 395:6

Peter C. Hildreth, Banking Commissioner for the State of New Hampshire (the "Commissioner"), as duly appointed Liquidator for Noble Trust Company (the "Liquidator" and "NTC," respectively), by and through his attorneys, the Office of the Attorney General and Sheehan Phinney Bass + Green, Professional Association, hereby presents his inventory of the assets of NTC (the "Inventory"), pursuant to NH RSA 395:6, and subject to the following qualifications and disclaimers:

1. The Liquidator was appointed by this Court's order of March 31, 2008, entered pursuant to the Commissioner's Verified Petition for Order of Liquidation filed on February 11, 2008. In the intervening period, Robert A. Fleury served as Conservator for NTC pursuant to the Commissioner's appointment dated February 11, 2008.

2. The Inventory was prepared from NTC's books and records as they were available to the Conservator and (later) the Liquidator as of February 11, 2008. Notwithstanding any table headings contained herein, the Inventory is not intended to differentiate between assets or property held by NTC in its individual capacity from those in which NTC has an interest in a representative capacity, either as trustee, subtrustee, trust protector, or any other representative or fiduciary capacity. The Liquidator makes no admissions or waivers by the terminology used in any table headings or other identifying information used herein.

3. The Liquidator continues to investigate the assets and liabilities of NTC. While the Liquidator has made and continues to make a diligent, good faith attempt to obtain reliable information concerning NTC's assets from NTC's books and from third party sources, the information contained in this Inventory is not warranted or represented to be either complete or accurate, and should not be relied upon as such.

4. The values expressed in the Inventory are values carried on the books and records of NTC and do not reflect any determination of market value, or of the value of NTC's interest in such assets.

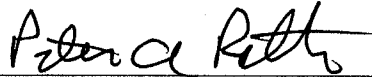

5. The Liquidator reserves the right to amend, repudiate or withdraw all or any portion of this Inventory if and to the extent that he may deem it appropriate.

6. The Liquidator expressly and unequivocally reserves and does not waive or modify any of his rights, remedies, claims or powers in this proceeding.
